The story starts out with Luffy and his crew leaving their post at Sabaody Archipelago. After they leave, a group of assassins reveal themselves to be the World Government's Shichibukai, Bartholomew Kuma, in order to assassinate them all. A flashback shows a young Luffy, who is attempting to punch a bear, but is instead swallowed whole by it. A lone ripple in the ocean nearby causes the bear to spit him out, and Luffy gives it a satisfactory punch. In another flashback, Gol D. Roger is explaining the "Pirate King" concept to his crew aboard his ship. Back in present time, Luffy is fighting Kuma on top of the Sabaody Archipelago while Buggy searches for treasure on the plaza below and Zoro and Sanji team up to fight Mihawk in order to gain his approval and engage in a duel with each other.
